What first came to mind when I was invited to participate in the Bluecoup Exhibition at artspace was a visualizing of the legendary elements of Air, Water, Earth and Fire. But what I found myself creating was a series of blue skies and our blue planet. The song Blue Skies kept going through my head as I worked, so that is what I have titled this series of encaustic monotype scrolls.

BLUE SKIES

Blue skies

Smiling at me

Nothing but blue skies

Do I see

Bluebirds

Singing a song

Nothing but bluebirds

All day long

Never saw the sun shining so bright

Never saw things going so right

Noticing the days hurrying by

When you're in love, my how they fly
